
From the Center at UCLA:*

The Center has developed two new major resources to aid school improvement planning for addressing barriers to learning and teaching and re-engaging disconnected students.

>*Addressing Barriers to Learning: In the Classroom and Schoolwide*

>*Transforming Student and Learning Supports:*

Developing a Unified, Comprehensive, and Equitable System

Access these and other free resources from the Center's homepage at <http://smhp.psych.ucla.edu/>

If you think colleagues and staff might find these useful, please share them.

For those who have been forwarded this and want to receive resources from the Center on a regular basis, send an email to Ltaylor@ucla.edu

*The Center operates under the auspices of the School Mental Health Project at UCLA and is co-directed by Howard Adelman and Linda Taylor.
