

**Transforming the Network of Supports for Children and Adolescents :  
Policy and Practice Analyses and Prototype Frameworks from the Center at UCLA**

(<http://smhp.psych.ucla.edu/pdfdocs/transformingnetwork.pdf>)

In pursuit of equity of opportunity for all children and youth, the following documents articulate policy and practice analyses and prototype frameworks for systemic transformation weaving together school and community interventions. The emphasis is on development of a *comprehensive*, multifaceted, and cohesive system for addressing factors that interfere with learning and development.
