

Summary of
Child & Adolescent Case Management:
An Annotated Bibliography. 1987-1991

Norma R. Raiff. Prepared under contract for the Southern Human Resources Development Consortium for Mental Health, 2414 Bull Street, P.O. Box 485, Columbia, South Carolina 29202.

This annotated bibliography brings together summaries of information related to children and adolescents' mental health service needs and service interventions which were identified through a computerized literature search.

Includes bibliographic summaries on the following topics:

- ⌘ **Case management overview: Philosophy, values, and history.** Includes references on working with special populations, integrated teams, enabling and empowerment perspectives, and including family in services.
- ⌘ **Case management interventions.** Includes references on parent-professional collaboration, family assessment, treatment planning, and integrated services in the school.
- ⌘ **Model programs.** Includes references on case management with teen parents, addressing homelessness, serving rural families, home-based intervention, and early intervention.
- ⌘ **Research.** Includes studies that examined differences in perceptions depending on roles, evaluation of a model program, the introduction of the Family-Focused Intervention Scale, and assessment of family functioning.
- ⌘ **Curriculum.** Includes summaries of curriculum on comprehensive mental health treatment, addressing on children's mental health in social work education, and training on parent-professional collaboration.
